

ULTIMATE BORDER™

Made in Germany

FOR A
WATERLINE
THAT IS **ALWAYS**
BEAUTIFUL

No more intense waterline cleaning.

Ultimate Border, engineered in Germany, has a special heavy duty protection on its surface to prevent chemical penetration because we know that the waterline is the most critical area of your swimming pool.

You will love Ultimate Border for its:

Stain Resistance

The protection prevents unwanted dirty elements from penetrating the surface of the PVC and discoloring the border.

Easy Cleaning

With little effort, using approved swimming pool chemicals.

Longer Life Span

With less maintenance, there is longer life and less frequent renovations.

Easy & Quick Installation

An easy and quick installation of Ultimate Border avoids lengthy renovations or new constructions of the swimming pool.

ULTIMATE BORDER™

Made in Germany

ULTIMATE BORDER covers the water line (height 25,7 cm), allowing you to clean with chemicals of your choice. It eliminates the unsightly waterline around the perimeter of the pool caused by sun creams, cosmetics, and skin oils. It makes cleaning much easier and can be installed on existing membrane pools, renovation pool projects and new pool construction.

Ultimate Border not only protects your pool from unsightly water lines but also is aesthetically pleasing. This German-engineered product comes in a wide assortment of colors and patterns.

Ultimate Border is available in these 4 natural colors and 3 patterns to add the perfect touch to your pool and blend with your existing pool colors:

Unicolor
Sand

Unicolor
Light Blue

Unicolor
Grey

Unicolor
White

Blue Mosaic

Terracotta
Mosaic

Blue Surf
